## About Us

Macquarie Credit Union has a proud tradition of supporting our communities' events through sponsorship, donations and other support.

The Credit Union is owned by its members and run by its own management and Board of Directors.

Macquarie Credit Union offers a comprehensive range of financial products and being a credit union, benefits go back to members and the local community rather than shareholders. Macquarie Credit Union provides a better banking alternative for its members and has done so for the last 50 years.

We are proud to partner with TAFE Western, the largest training provider in western NSW to offer scholarships to their students who need a helping hand to complete their training.
